

TECHNO GURU

Teacher Instructions

Techno Guru is a relevant research and technology activity for students to focus on:

- Communication skills
- Numeracy skills
- Research

Special requirements: internet
 shopping brochures/mailers

Techno Guru can be useful prior learning for the workbooklet *Crazy Communication* and work alongside the *Talking It* worksheet.

TECHNO GURU

Many people use technology to communicate every day. Find out who has what!

Task 1: Tick the following technologies that are in your classroom.

<input type="checkbox"/> A normal telephone	<input type="checkbox"/> A computer	<input type="checkbox"/> An iPad or tablet
<input type="checkbox"/> A project	<input type="checkbox"/> A mobile phone	<input type="checkbox"/> A TV or monitor

Task 2: Ask 5-10 people the following three questions and put tally marks beside each to count up as you go.

Question	Number who have this technology	
	Yes	No
Do you have a mobile phone?		
Do you have the internet at home?		
Do you have more than one TV at home?		

Task 3: Ask 3 people how they solve technology problems when they go wrong?

Name	What they do?

Task 4: Look in shopping mailers or a newspaper or the internet and find 3 examples of technology that you could use every week. Cut them out (or print off the internet) and attach them to this worksheet.
